**Upgrade Now!**  
Make a Payment

Select your chosen subscription plan from the drop-down menu on the next page and enter your payment information. You may sign up for this service via either our secure payment portal or directly through your PayPal account. (For your convenience, we've provided an automatic monthly payment option to ensure that your subscription never lapses, ultimately keeping you ahead of the weather!)

3. Register Your Phone Number

At the top of your payment confirmation page, you'll see a gray box within the yellow area. Please, choose your wireless carrier and enter the first phone number that will be receiving Beau's text notifications. (If your subscription includes multiple phone numbers, you'll be able to register the other numbers after Step 5.)

4. Choose Your Preferred Counties

Select the counties for which this first phone number should receive alerts. Choose one or multiple counties.

**Contact Counties for 270**

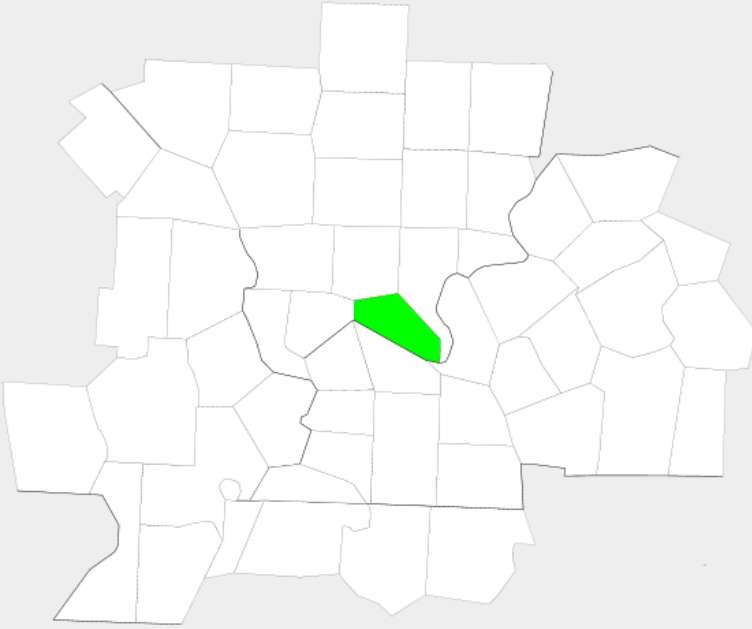

Select which counties you would like notifications to arrive to 2709701202.

Remember, hit **Save Counties** when finished. [Back to notification preferences](#)
